

HOW TO GET YOUR AI VOICE MEMO FIX

Ready for your fix? Here's how to get it fast:

1. **Send Your Idea:** Send your prompt, AI question, or wild idea to me via Telegram (Secret Chat). [Telegram Link: <https://t.me/TheShadowStack>]
2. **Secure Your Fix (Via Phone Call):** I'll confirm your request via Telegram. For secure payment processing, we'll arrange a brief phone call where you can verbally provide your payment details. I'll input these directly into my secure SquareUp Virtual Terminal.
3. **Receive Your Memo:** You'll get one expert-level voice memo within 24 hours of successful payment (unless something truly catastrophic happens).
4. **Need Clarity?** One follow-up message is included (not another full memo).
